Marcos Byrd is back in town in SAN MIGUEL!!! The Artist of the Original Bulletin Board found at La Conexion! If you're down there, keep an eye out for him!

Being introduced today to his work was a nice pleasure. The Amount of detail he gives to every aspect of the painting is incredible. From the cracks on the wood floors and the clothes of the aristocrats to the beauty of the waitress, truly re-MARCOS-able!

Cheers, Mr. Byrd! 🍷 🍸
